

Whole Top 616-620 Harris Street, Ultimo NSW 2007

Whole Top Floor - Be Quick

Very rarely do such properties present themselves in the commercial office market at this incredible rental level.

The property owner has priced this property to get a result now.

This amazing whole top floor is flooded in natural light from three sides and has a very pleasant leafy and metro outlook.

Positioned on Harris Street only 700 metres from Central Station, this superb office is air conditioned with separate male and female amenities and an existing kitchen breakout area.
