

12/410 Queen Street, Melbourne VIC 3000

Private Sale

sh and contemporary living, this 2-bedroom, 2-bathroom Queens Street treasure is sure to be snapped up quickly!

This 7 storey building is truly one to envy, with only 25 apartments in the entire complex and a design by acclaimed architect Nonda Katsalidis (of Fender Katsalidis -designed MONA, Australia 100, Eureka Tower, and others). Light timber floors dominate the open plan living and dining zone, which has terrific space for everyday relaxing. This main hub further opens out to a well-sized undercover balcony, which is a brilliant area to take in the park views and enjoy balmy Melbourne nights over meals and drinks with friends and family. These views can never be built out.
