

CLASSIC SOUNDS

... the art of home entertainment

, Launceston TAS 7250

Classic Sounds

Classic Sounds presents an opportunity to secure an established business which is underpinned by attractive "exclusive rights" brands which include Loewe & Bose.

The business has been in the same family ownership since 1988. The business model has continued to move with the times, with a niche market now created in the north and north-west Tasmania.

A lease continues until June 2013 with lease terms being very commercial.
