"Darrell Lea" Product Distribution - Northern Tasmania

Knight Frank is instructed to offer "For Sale" the distribution license for Darrell Lea products throughout the Northern sector of Tasmania.

Retail
FOR SALE

The operation provides an excellent opportunity to take over a well established client base, with an already proven and substantial income stream but also the opportunity to grow considerably.

The "Darrell Lea" license further provides an opportunity to re-establish a retail outlet which is currently not part of the enterprise.

Full trading figures are available to seriously interested parties upon request - all genuine offers to purchase will be considered.
