GAMING MACHINE BUSINESS, GREAT INCOME

Phone enquiries - please quote property ID 14969.

CABARET GAMING is a manufacturer and operator of coin-operated Video Lottery Terminals (VLT's). The WA owned company were the pioneers for this style of gaming machine in Australia, and since its inception in 1996, have been the market leader in this industry.

The director and owner of the business has 35 years' experience in the gaming industry spanning a wide range of gaming services, in a number of different countries. He is now seeking to sell machines in venues producing good income.

The business is well established and has over 160 machines in clubs, bars, community clubs, sporting clubs etc wi
