Environs Cafe

Prime location in historic Battery Point, just off Hampden Road. Oldest Cafe in Hobart - Environs was formerly known as ???Mummys???.

Filled with natural light, Environs contemporary style has a clean cut, minimalistic edge, with bright blue awnings on the outside, and crisp white walls, rustic wooden seating and original artwork adorns the walls indoors.

Out the back a neatly set courtyard flourishes with lush plant life and communal benches are ideal for basking in the sunshine over breakfast or lunch.

Very popular little bus
