

Suite 25, 31-35 Salamanca Place, Battery Point TAS 7004

Office space in the heart of Salamanca

It is not often we have the opportunity to present such a high quality boutique freehold office to the market, even rarer when it is in the heart of Salamanca.

This Stratum titled property has a total floor space of some 73sqm comprising 3 separate offices, concealed kitchenette and an open plan reception/boardroom.

The office is flooded with natural light which along with the cathedral height ceiling provides a feeling of space well beyond its size.

Highly recommended.
