

194-196 York Street, Launceston TAS 7250

Another one SOLD by Knight Frank

The property is well located on York Street and within close proximity to the new supermarket being developed.

The property forms part of "Montrose Terrace" and provides 2 conjoined terraces with a common access point.

The terraces would suit multiple uses (STCA) with on-street parking and multiple car parks in the area.

A must opportunity to acquire a profile property with plenty of upside.
