CBD Commercial Investment with DA

This is a fantastic opportunity for those looking for a development opportunity. 1012sqm site is situated in the main street in the Bundaberg CBD. The property has a DA for a nine story development. The beauty is in the forward planning with the current owner already having tenants lined up for lease when the project is built. Definitely a great development opportunity. Contact: David Radonich on 07-41544178 for more details or see:
