

W2 Osprey Drive, Port Of Brisbane QLD 4178

3,000sq m to 12,000sq m Port Logistics Warehouse!

This A-grade industrial facility provides unparalleled positioning for logistics based businesses.

The warehouse is accessed via six on grade access doors and one recessed loading dock all under a large awning. PortGate offers onsite container storage facilities and can provide full dockside to delivery transportation. The Port island allows heavier weight allowances for container transportation, offering higher volumes per shipment.

- Located on the Port of Brisbane island
- Flexible tenancies from 3,000sq m to 12,000sq m
- 1,100sq m covered awning area
- Boom gated and guard
