338 Sheridan Street, Cairns North QLD 4870

You don't get much better than this with Cairns city within walking distance, the Airport just up the road, the hospitals, both private and public are around the corner, a major shopping centre is not far, and the Cairns Esplanade and all it has to offer is a block away. This is a prime development site for the future or you can continue with the exciting fully self-contained apartment accommodation as it stands today. The apartments are also very unique in the fact that this is the first accommodation heading into Cairns from the North after the Airport.
