PARKING GALORE RIGHT AT YOUR DOOR

With 11 on-site car parks this glass fronted secure brick building was once a bank in it's past life.

It has plenty of natural light, tiled floors, open-planned ground floor area with two partitioned offices, lunch room and archive storage and separate amenities.

Conveniently located in the main street of Wallsend, it offers the ability to retail at far less than shopping centre rents or act as it is now as an office that is convenient for staff and customers alike.
