

, Muswellbrook NSW 2333

Wendy's Franchise

A superb buying opportunity exists for a Wendys franchise in the popular Hunter Valley town of Muswellbrook.

The business has a large, exposed frontage facing the travelator and also sits at the food court entrance. The current owner runs the business at arm's length while operating another store and believe with owner/operator involvement the site would do extremely well.

This store is selling well below new store fit out, so inspections are a must!
