VERY BASIC BUT VERY HANDY SHED

Located just a stones throw from Westfield Kotara and in the Adamstown industrial area - this unit is part of a complex which provides security due to busy activity. In the same building as Dog Overboard it offers:

- * High access roller door
- * Small office
- * Internal amenities
- * Shop front entry
- * Off street parking

This is a basic but handy building that will keep your rental costs low and allow your business to grow.
