Industrial Building with Cranes

This small stand-alone industrial workshop is located in Carrington close to the wheat silos. This position means it is readily accessible to the Port and Port related industries. Whilst old it has some significant features:

- 1 x (2 tonne) crane
- 1 x (3 tonne) crane
- 8.5mt clearance in workshop
- Large (7.5mt) wide sliding doors
- Freestanding office/house next door
- Huge power supply
