HIRE & SALES

If you don't want to be stuck in an office, don't want expensive leases and don't want to deal with multiple customers then have a good look at this business.

Generally goods are delivered with occasional pick ups by appointment so you would not be stuck at the warehouse. Divert the phone if you have somewhere else to be. It's a mobile based business with a delivery service. The sale includes an extensive asset schedule with well over \$150,000 in equipment value.
