SURPLUS TO THE OWNERS NEEDS

The owners of this property have moved to a larger facility and this one is now surplus to their needs so they have decided to take the property to the market!.

Key features include:

- * Workshop of approximately 96m²
- * Separate office block with air conditioning
- * 3 Phase power to workshop
- * Bitumen hardstand and carparking
- * On the Rutherford side of Maitland
- * 1,085m² (approx) block of land.

This property has the potential for further development and would suit businesses that need an even mix of both w
