## 2000m2 of Opportunity

Situated in the heart of the Cardiff Estate this (2) unit complex may look a little tired and in need of rejuvenation, however it has a strong heavy duty portal frame and is well catered for power. Along with this comes:

- A tenant who has been there for (17) years in Unit 1
- Multiple access doors to each unit
- Excellent amenities
- Unit 1 has over (400m2) office space
- Unit 2 is vacant and would suit a multitude of users
- Each unit serviced by a large concrete turning apron
