

Portion Of 54 Munday Avenue, Pinjarra WA 6208

Purpose Built Training and Office Facility

Located next to Murray Engineering within Landcorp's Pinjarra Industrial Estate, this modern two level Office and Training Facility has been developed to satisfy the growing demand for well-presented and serviced commercial buildings in this developing area.

Murray Engineering is a first-class supplier of mechanical and electrical goods and services to all major industry sectors. The company's highly skilled and experienced mechanical and electrical teams specialise in maintenance, refurbishment, construction and manufacture of a wide range of equipment.

Mandurah is located approximately 20 minutes away via Pinjarra Road and with the extension to the Kwinana Freeway
