VACANT 4527m2 NEWMAN INDUSTRIAL

One of most sought after acquisitions in Newman, is industrial property. It is seldom on the market and often at very high prices because of scarcity. For sale is one of the best deals on the open market today - a large 4527m2 industrial lot with a battle axe entry but with 2 sides facing Welsh Drive, giving the property immense exposure to passing traffic on 2 sides.

Property features:

- 4527m2 industrial lot
- New industrial estate
- Filled and levelled
- Drainage on 2 sides on external perimeter
- Full street frontage
