50 Blackall Street, Barton - An ideal repositioning opportunity

50 Blackall Street is a modern contemporary four level office building of approximately 5,033 square metres NLA. The building has approximately 138 onsite carparking spaces as well as a child care centre licensed for 62 spaces.

Both in terms of office accommodation and the developing residential infill, this is the most desirable and sought after location in the National Capital.

50 Blackall Street represents an ideal repositioning opportunity in this tightly held parliamentary precinct.
