

7 National Circuit, Barton ACT 2600

Well Located Ground Floor Suite

John McEwen House is a 3 level office building completed to a high standard. The building features an expansive foyer with full height atrium, 2 glass fronted lifts, separately metered air conditioning for each floor and an abundance of car parking on site.

The buiding also houses shower facilities on the ground floor.

Available now and located on the ground floor, this open plan and light filled tenancy of approx. 135sqm, fronts directly onto National Circuit.

Floor to ceiling glass gives a tenant the impression the space is much larger than the size detailed.
