Hope Cres

Lesmurdie Rd

140 Lesmurdie Road, Lesmurdie WA 6076

Prime Development Site

The property is improved with an older styled timber framed residence and out-buildings which had been converted for use as a child care centre, most recently operating as the Lesmurdie Early Learning Centre.

The site was scheduled for possible redevelopment into a modern child care facility and this corner site offers an ideal redevelopment opportunity.

Site Area: 2,252 sqm (approx.)
