XILE HOUSE - 181 ELIZABETH STREET

Xile House is a commercial and retail development completed in 2004, located on Elizabeth Street next to Tara House. The building is positioned in the heart of the CBD, across the road from the Wintergarden shopping complex, and a short walk to all major public transportation modes.

This four (4) storey boutique commercial and retail development has been designed to respond to the adjacent state heritage listed building. The structure has a neutral context that is modern in design and appealing to it's occupants.
