Convenient Industrial Location

Located in Broome's northern growth area and close to Broome Road this fully serviced lot is 2,319sqm. The development was initially released in 2010 and within that time we've seen a new petrol station, car wash, gym and many more businesses establish themselves in this new hub of Broome.

Blue Haze is part of the Broome North development and is an extension to the existing light industrial area located north of Gubinge Road. A landscaped buffer separates the estate from the residential Broome North development.
