

L5-8/123 Pitt Street, Sydney NSW 2000

This is a good one

This iconic Sydney CBD building, completed in 2001, adds a stylish dimension to the city skyline and an important focus for the Sydney business community. Angel Place offers tenants a very efficient floor plate coupled with excellent on site facilities, including an on site conference facility accessed via the building foyer, a commercial car park below the building and a fully licensed cafe/restaurant. Angel Place is a 35 storey commercial building comprising 47,000 sqm of A Grade office space. The City Recital Hall is also linked to the building. The floors have pleasant city views with some floors having an outdoor terrace.
