Mulgrave Road - Retail Shop

It's not often a small, affordable retail / office space on Mulgrave Road comes along - until now.

Only 3 kilometres to Cairns CBD and on the left hand side outbound. 30m2 in size available on the ground floor of a small office building next to Snap Printing.

Great signage and comes with one rear car park accessed through a roller door with remote access and lots of on street parking.

Be quick - this won't last long.
