

56 Main Road, Ulverstone TAS 7315

High profile commercial site in Central Ulverstone

If you're looking for a high profile site then this one should be at the top of your list. Situated on the corner of Main Street and Alexandra Road, it's on one of Ulverstone's busiest intersections.

Being a corner block, the site is highly visible to all passing traffic.

Total land area is 491m² and apart from the office area and a small shed, it is sealed asphalt.

The office building in one corner is 27m² and consists of an office, kitchenette and separate toilet.

There are Colorbond fences on the back and one side and high wire mesh fences on the two sides facing the street.

Services include, water, electricity, telephone, sewerage and storm water.
