

9 De Laeter Way, Bentley WA 6102

Technology Park Business Incubator Offices

The Innovation Centre of WA has a variety of office spaces available within its expanding and highly successful business start up incubator program.

The Innovation Centre of WA is a government funded facility, which aims to

- Enable innovators to take their ideas from concept to a viable business through education, expert advice and provision of networking opportunities.
- Create a robust and sustainable innovation and commercialisation infrastructure in WA.

Located in Technology Park Bentley, the Innovation Centre currently works with 12 private companies in the Business

Offices
