## ROCKHAMPTON SOUTHSIDE SHEDS

Positioned on the Southside of Rockhampton is this neat and tidy set of sheds. The property consists of two (2) sheds, one of which is tenanted by National Hire Services.

The remaining 200m<sup>2</sup> shed is vacant so would suit someone looking for a bit of storage for themselves with the added bonus of a rental income from the rented shed.

The current owner would also lease this remaining shed to allow the property to be sold as a fully leased going concern.
