FOR SALE

Great Financial records. Management in place and plans for a smooth changeover for new Owner is in place !! Banks will finance this business due to strong financial history.

This business has a constant stream of work that generates a fantastic income and profit. It's hard to imagine a more secure source of work, particularly given the region's significant residential and commercial growth. Less than 1 hour travel by road to Melbourne and situated in a South Eastern Suburb of Melbourne, the company services Melbourne city, all surrounding suburbs and also servicing rural areas. Doing everything from domestic demolition, industrial demolition and civil works, a large fleet of vehicles and machinery including prime movers, semi
