

288. Crown Street, Darlinghurst NSW 2010

A TRULY UNIQUE PROPOSITION

On offer for the first time in thirty five years, this original three storey sandstone terrace presents a remarkably significant opportunity in the very heart of Sydney's premier bohemian enclave.

Home to the internationally celebrated 'Dita Feathers' label - the only working manufacturer of its type in Australia, the property and business can be either sold in one line or separately, with the business carrying a specialised trade status.
