

Level 6 & 7//393 George Street, Sydney NSW 2000

## Two Whole Floors - mid CBD location

These two floors are available to lease in one line and could potentially be partially used as Sydney Executive Accommodation or alternatively independent creative meeting areas or staff break out space.

Both floors benefit from three sides of natural light and are air conditioned throughout with lift access to level 6 & stair access only to level 7.

This boutique 7 storey building has charming features to this floor including large arched windows and great natural light throughout.
