

39c Fieldings Way, Ulverstone TAS 7315

Everybody wants a big shed

This is a rare listing these days. Locating in the industrial hub of Ulverstone, this large shed (approximately 9m x 11m) has a 4 metres high roll-a-door. Electricity and water are connected. There is also room for a 40 foot container beside the shed.

So if you are looking for somewhere to store your grown up toys or just want a cool shed to do stuff in, then act now to avoid disappointment.

- * Large shed (approx. 9m x 11m) with a 4 metres high roll-a-door
 - * Electricity and water are connected
 - * There is also room for a 40 foot container beside the shed
 - * Excellent shed for storing your boat, caravan or other toys
- For further information, please contact Fred Guilbert of Roberts Ulverstone.
