

131 Wilson Street, Newtown NSW 2042

Ideal Corner Cafe/Restaurant

Perfectly located at the intersection of Wilson and Burren Streets, this character warehouse building features industrial features and is currently being renovated. The property offers fantastic scope to customize and create your exciting inner-west cafe/restaurant.

Currently being renovated, this is the perfect time to work with the developer who is seeking an operator to complete the fit-out to their requirements subject to Lessor approval and the approval of regulatory authorities if required.

Make your enquiry today for more information!
