

Suite 603/26 Ridge Street, North Sydney NSW 2060

Cool Modern Space in Leafy Location

Fully furnished suite with parking available.

A smart office with a large open plan area and one meeting room or executive office. Lovely natural light, good lift presence and presentation throughout. If you're sick of boring office suites and tired ugly ceiling tiles, this is the suite for you! High ceilings with windows you can open!

It has professional presentation within a highrise with 2 lifts but at the same time is character-filled and creative. Join a mixed-business building with everything from media companies to medical users.
