Buying any business in the accommodation industry should be a solid investment with the opportunity to further improve the business and further build on a successful asset.

This Caravan park is operated by 2 vendors who are in poor health and are not running the business as good operators should. It is a must to have a strong online presence, social media marketing and have a website that is very compatible to today's smart phones.

If you don't do this with a caravan park, you are losing 80% of the market that should be contacting your business. Due to elderly vendors with no knowledge of the internet world we live in, this park has
