

Level 2/358 Flinders Street, Townsville City QLD 4810

Flinders Street Offices with Parking

The Citilink building has undergone a major refurbishment with upgraded air conditioning plant, automatic doors, double glazing, secure basement parking and a building management system for improved energy efficiency and cost savings for tenants.

The building enjoys escalator access to a direct pedestrian link to the multi level car park and an attractive new front facade with large windows overlooking the Flinders Street retail precinct.

The top floor features naming rights, dedicated male and female ablutions with showers and disabled facilities.
