

(unit 3)/45 Bonville Avenue, Thornton NSW 2322

SECURED WAREHOUSE

If you require warehousing with good security features then this industrial unit is well worth a look.

Previously used as storage by a white goods retailer, the unit has extra security measures in place including removable security bollards, alarm & security roller shutter to the glass and aluminium shop front.

Other features include:

- * High clearance roller door
- * Loads of three phase power outlets
- * Amenities including a shower
- * High bay security lighting
- * Security gated complex
- * Good customer & staff
