Northern Warehouse Complex

This great warehouse ideally suited to storage or potential depot space is part of a complex. The space has a large barn sliding door for access and shared parking in the forecourt as well as clear span interior with fluorescent internal lighting. These spaces would be perfect for the tradesperson or occupier looking to store product or boat or other plant. Open plan interiors allow for racking. Choose from the remaining smaller tenancy at approx 60m² or a little larger at approx 140m². Call to discuss today.
