Cleaner, faster

WashSmart™ 8.5kg

WashSmart™ Front Loader utilises our SmartDrive™ technology to eliminate the belt drive, delivering the ultimate clothes care. Using our direct drive motor this washer is whisper quiet. A revolutionary Vortex wash jets clothes cleaner faster. In fact the majority of the 13 cycles when set to wash at a temperature 30°C or lower will complete the cycle in well under an hour.

Ideal for large families

CleanSmart™ 10kg

The CleanSmart™ 10kg washer, is our most robust top-loading washer. The SmartTouch™ control dial accesses the SmartDrive™ technology with our low profile agitator to deliver an expert wash every time whilst achieving a 4 star energy rating and a 4 star water rating (WELS). With its 10kg capacity, it will wash all your family's washing in half the cycles.
