A rare opportunity to purchase a software development training business

Education/training
FOR SALE

This Melbourne-based independent company has been in business since 1989 and provides professional development training in business analysis and related topics. Clients are predominantly large corporates and federal/state government departments but also include small/medium enterprises. Course attendees are business analysts, project managers, I.T. and business professionals seeking to improve their business analysis skills. All course attendees are employer-funded. The company has a nationally respected brand name and enjoys a strong reputation for quality course delivery. Most clients are repeat customers, cycling both existing and new staff through the company's courses.
