

, Gin Gin QLD 4671

Industrial Development Site Gin Gin

4.582Ha of prime industrial land only a stones throw from the Bruce Highway at the edge of the township of Gin Gin is offered for sale at a very competitive market price. Large vacant blocks of industrial land adjacent to the Bruce Highway are hard to find. This would be ideal for a transport depot, vegetable or fruit coolstores or split into smaller lots. Excellent investment for the future and close enough to service Gladstone. Can't beat the price!
