

13 Wildon Street, Bellevue WA 6056

HUGE INCENTIVES BELLEVUE FACTORY

This Bellevue general industrial site would be well suited to carpentry or other associated business, but has many other industrial options. A close proximity to major road networks gives easy access to surrounding areas. The building comprises first and second floor office/amenities with large factory area with side access.

520 square metre factory
150 square metre office
General Industrial Zone
Ample power supply
Side access
(Measurements approximate)
