9 Charlie Triggs Crescent - Large Shed

Massive Professional Shed with Offices and Lay down Areas on a Large Parcel of Industrial Land in a Prestigious Estate.

The land this shed sits on is a massive 9017sqm in size and resides in the prestigious Bundaberg Industrial Estate.

The shed that has been built on it is around 1900sqm in size and contains many A1 quality offices, lunch rooms, toilets, server room, and many storage rooms. Being built of a solid material the shed offers good insulation properties.

The block is security fenced and there are draw back gates on either side of the shed to allow access. There is at least an acre of land at the back of the shed for a large lay down area.
