47sqm Office with Fit Out

This Office has been recently upgraded with New Paint and Carpet and has a Fitout in place of a Reception Area, Meeting Room and an Open Plan Area for 5-6 Desks.

This Building believes in giving smaller tenants the chance to grow and to move with the Building as they expand - flexibility if you're bursting at the seams!

Great onsite facilities including cafe, bike racks and showers, and on-site building manager mean this will be the perfect first step for your business to enable growth within a building tailored to the needs of small tenants and fostering a business community.
