FOR SALE

This profitable Sydney building products supply business is now for sale.

The business provides a wide range of renders, coatings and associated products. It also markets a range of commercial and house branded products.

It has significant repeat business from over 1,000 active clients.

Branch locations offer extensive coverage of Sydney metro area.

The business focuses on home renovation and apartment construction sectors.

In 2015-16, it had sales of \$6.9 million. This has been growing strongly

The business would be suitable as standalone or bolt-on to an existing business.

The business has a team of experienced staff which requires minimal involvement by the owners.
