Industrial/manufacturing

FOR SALE

This industry is bullet proof. A safe industry to invest in.

This manufacturing business is well established and continually growing in sales due to a high quality product and great service. 80% of orders are standard weekly orders that are automatically processed via computer using a Reckon accounting system, and 20% orders are via telephone and then put in the system.

There are currently 4 full time bakers and 2 packers, and staff start at 2 pm and finish approx 11pm. Working on!
