

9 The Strand, Townsville City QLD 4810

Landmark CBD development site - Townsville Strand

Prime location on The Strand close to the casino, entertainment centre and ferry terminal.

This site is ideally located in a high-rise precinct and would suit a mixed-use or high density residential development project subject to local authority approval, and is located in Precinct 5 "Research and Tourism" of the new Townsville City Waterfront Priority Development Area set to transform parts of the inner city.
