245 sqm Office Space For Lease - Orchid Plaza

Orchid Plaza office level has undergone a high standard refurbishment of the common area and lifts. The tenancy is currently partitioned but the lessor is willing to modify to suit the new tenant.

The office space offers a quiet working environment with excellent natural light, a large staff kitchen and an open deck for staff/client functions.

There is basement car parking with dual lift access to stay dry in the wet season. Close to banks, courthouse and the Esplanade with cafes and restaurants just one level down from your office, this is well worth a look.
